Dear Community Supporter,

The UHC Foundation is a 501(c) (3) nonprofit organization dedicated to providing resources to improve the health and quality of life for members of our community. The UHC Foundation was established to support community programs that extend beyond the scope of primary healthcare services in rural communities.

The UHC Foundation will host its annual Golf Tournament on Monday, October 12, 2020 at Ridge Creek Golf Club in Dinuba, CA. Registration will begin at 10 AM with a shotgun start at 11 AM. Enjoy a fun day on the course with lots of activities, food, and great prizes! We ask for your support as a sponsor and/ or by participating in our tournament. All proceeds benefit the numerous programs and services offered to youth and families living in underserved communities.

The UHC Foundation helps to improve the immediate and long-term health outcomes of Valley residents with early coronavirus detection (COVID-19 Testing), COVID-19 education and personal protective face masks. The UHC Foundation helps to fund Mobile Testing Events in rural communities and provides desperately needed PPE for mobile testing staff and customers. Many residents in rural communities have been adversely affected by COVID-19 with significantly higher rates of infection and mortality from the disease. Contributing factors have been the prevalence of chronic disease (Diabetes, COPD, Stroke, and Obesity) and less access to healthcare resources.

Each year the collaboration between YMCA and the UHC Foundation sends children to Summer Camp where elementary aged students gain leadership, social and communication skills through their week long team building experiences in the beautiful Sequoia National Park. One week at camp valued at \$650.00. More than 100 children are expected to return to camp in 2021.

Please join us in supporting the UHC Foundation and its community programs. Registration and sponsorship opportunities are now available. We are grateful for your support!
